## Over-arching objectives of the Sports Premium 2020-2021 (Covid-19 aware)

- Improve the quality of PE and sports provision across the school
- Ensure access for all children to a wide variety of extra curricula sports and fitness activities both before, during and after school
- To raise the self-esteem and confidence of all of our children
- To introduce and allow all our children to experience activities, they may never otherwise have tried, that encourage a healthy lifestyle and a love of keeping healthy and a love of various sports and physical activities
- To offer opportunities to children to work with sporting professionals who may influence and inspire our children to become athletes, or work in sport in the future
- To develop successful competitive teams to represent the town in sporting events across the town
- To support children in accessing sporting events across the town
- To continue to engage with local sporting events and continue to raise the profile of the school in sporting events across the town, especially engaging in as many events organised by Active Luton

Remaining £1067.20 spent on refreshing playground equipment including bikes and scooters.

3) Deliver a varied and exciting range of extra- curricular activities to complement our curriculum

Actions	Success criteria	Timescales	Cost/resource implications	EOY Review
5) External and internal instructors secured to deliver a varied and exciting range of extra- curricular activities to complement our curriculum	-Children are engaged in at least one extracurricular activity, which could lead to wider participation in sporting/physical activities and external competitions, including sports for SEN children.	Sept 2020 – July 2021	£5550.00	-see Extra-curricular timetable and register of attendance -Learner Voice evidences that although our uptake is lower this year than in previous years, those who attend clubs are enjoying the experience "the Musical Theatre teacher chooses challenging dances for us to do but she helps us believe that we can do it and really helps us", "I feel confident about dancing". "I

				love athletics club because we get to do all the activities like real athletes and it's good to do activity with my friends". "Multi-sports is good because it let's us play all kinds of games and sports so that we know which ones we're good at"
