## Over-arching objectives of the Sports Premium 2021-2022

- Improve the quality of PE and sports provision across the school
- Ensure access for all children to a wide variety of extra-curricular sports and fitness activities during and after school (exposing children to new and different types of activities)
- To raise the self-esteem and confidence of all of our children
- To offer opportunities to children to work with sporting professionals who may influence and inspire our children to become athletes or work in sport in the future
- To develop successful competitive teams to represent the school in sporting events across the town
- To support children in accessing external sporting clubs across the town
- To support active and enjoyable lunchtimes for all children

1) Continue to support active lunchtimes by employing designated Play Leaders to support all children at lunchtimes
