

Knowledge Map

Year 1 Pentecost 2

PE
Tuesday & Thursday

Please can your child bring in a water bottle to school daily.

Science

In Science, we are learning about plants and what they need to help them grow. We will also be learning about wild flowers, garden plants, seeds, deciduous trees, evergreen trees and exploring the structure of a plant. All plants are alive, just like animals.

We can find plants in almost all parts of our planet. Some plants are in gardens and some plants are in the wild.

Can you go a plant hunt? How many wild plants can you see? How many garden plants can you see? Take a picture and upload your fantastic findings to ClassDojo.

English

Here are the stories we are exploring this half term:
Which part of the story did you like best?

Why?

Can you retell the story?

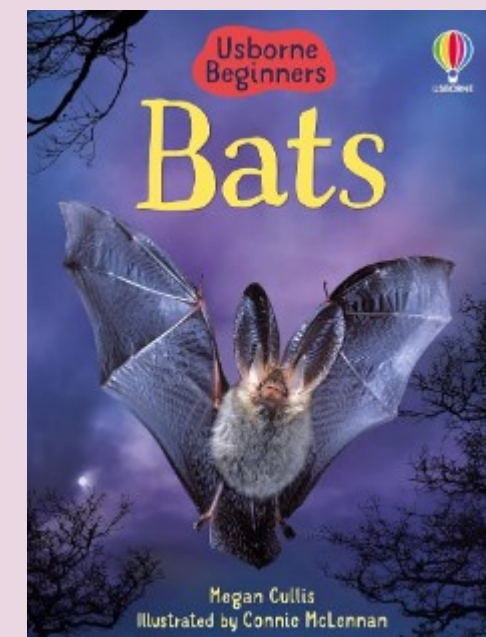

Visit the library to find and enjoy some of other amazing stories:

Michelle Robinson

- How to wash a Wolly mammoth.
- The world made a rainbow.
- Ten fat sausages.

Kes Gray

- Billy's Bucket.
- The Lion inside.
- Think Big!

Wild flowers of cornfields

Keywords

Plants, roots, stem, leaves, petals, rain, light and soil.

ART - Laurence Stephen Lowry

In Art, we will be learning about a famous artist called Laurence Stephen Lowry. He was one of Britain's most famous artists from the 19th Century. Laurence Stephen Lowry is particularly known for painting industrial scenes and match stick characters. Here are some of his famous pieces of art.

Which one is your favorite painting?

WATCH ME!

Phonics

We are learning our Set 2 and 3 sounds. Scan the code to find out more about supporting phonics at home:

Practice reading these nonsense words using 'Special Friends, Fred Talk, Read the Word:

figh, larp, scoy, pord, heaf, plope, klape, sufe, toup,

Geography

Our topic for Geography this term is Seasides. We will also be learning about human and physical features.

Physical features are seas, mountains and rivers as these are natural. They would be here even if there were no people around.

Human features are houses, roads and bridges as these are things that have been built by people.

Read and watch me!

Maths

Key Words

Odd, even, share, counting in 2s, equal and remainder.

In Maths we are learning to share even and odd numbers into two groups. Even numbers can be shared into two equal groups. Odd numbers can be shared but there will always be a remainder.

What do you notice?

The numbers are all even.

WATCH ME!

Can you solve the problems?

Can these children be split into two equal teams?

The teams will be equal. There will be 3 children on each.

Katie

The teams would be unequal. There would be 1 child left out.

Archie

Explain who is correct.

Share the strawberries equally between the 2 plates.

How many strawberries would be on each plate?
