Statement of Behaviour Principles September 2024

At St. Margaret of Scotland Catholic Primary School, we recognise that Jesus is our greatest teacher. Following Jesus' example, we strive for our school to be a place where everyone is equally respected and unconditionally loved.

At St Margaret's we understand that the Gospel Virtues underpin all we do and we ensure they are intrinsically linked to our Behaviour Policy.

We strive to enable all members of our school community to thrive in an environment where all feel listened to, considered, valued, loved and respected, this is lived through our mission statement

'Learning with Jesus in Faith, Hope and Love'.

Staff and volunteers aim to be strong role models for children. Through our actions we show children how to treat each other and develop our relationship with Jesus.

We aim to know and treat all as an individual and provide support at all times. We are fully committed to safeguarding and the welfare of all children and young people.

We expect respect, good manners and a drive to be as a good person as we can be.

This written statement of behaviour principles is reviewed and approved by the LAC each academic year.
